

Matías Sanchez

Front-end Web Developer

mail@matysanchez.com

+549 (351) 513 8863

Education

Aug. 2013 - Current

Siglo XXI Business University – Córdoba, Argentina

Bachelor of Business Administration.

Experience

Freelance

Apr. 2008 - Current

Freelance Front-end Web Developer – USA, Europe and Latam.

Since 2008 I work as a freelancer. And in the last years I start to focus on working as a Front-end Web Developer. I worked of companies in California, New York, North Carolina, Spain, Belgium, Germany, Mexico, Peru and Argentina.

Hangnest

Mar. 2012 - Mar. 2014

Hangnest allows groups of travelers to "connect with other groups of travelers" to meet and hangout together in the cities they visit - while traveling.

Web and Mobile Developer & Designer – Buenos Aires, Argentina

I worked directly on the product as developer and designer. I was responsible for all visual and technical aspects. Using PHP and Node.JS for the back-end hosted on a Cloud Instance in Windows Azure. Front-end works with JavaScript, LESS and HTML5. Using different JavaScript frameworks like gMaps.js, underscore.js, etc. Designed with Adobe Photoshop and Adobe Illustrator.

Microsoft

Dec. 2011 - Dec. 2012

Imagine Cup is an annual competition sponsored and hosted by Microsoft which brings together young technologists worldwide to help resolve some of the world's toughest challenges.

Microsoft Student Partner and Microsoft Imagine Cup Competitor – Argentina, Uruguay and Australia.

Winner of Microsoft Imagine Cup 2012 in Argentina and Uruguay. By winning, my team and I could compete in the global finals in Sydney, Australia.

The Microsoft Student Partner programme is an annual award that recognizes students who have made outstanding contributions to the student technical community.
